

Dear Student,

Welcome to online learning and thank you for enrolling in an online course at Northwest Florida State College (NWFSC). Whether you are a new or returning student, we hope you will find online courses to be interactive and rich in content allowing you flexibility to continue your education without traveling to campus.

It is important to note, however, that these courses follow the semester schedule, have weekly assignment deadlines, may require participation in discussion boards, and are as challenging as on-campus courses. Logon to D2L regularly, read the syllabus, be self-motivated and disciplined to ensure that your assignments and course requirements are completed on time. We want you to succeed.

If help is needed, be sure to request it as soon as possible. Assistance is available to you! Our distinguished faculty are experienced in teaching online courses and are always willing to help you. Your instructor is the first point of contact for any courses you are enrolled in at NWFSC. If you need technical assistance, a request form is always available at <http://ltech.nwfsc.edu/forms/studenthelpform.html>. Also feel free to call the NWF Online Campus at 850/729-6464. Many services are available to online students including: virtual tutoring through Smarthinking, virtual Library Services, Disability Support Services and much more. A list of resources is available at: <http://onlinecampus.nwfsc.edu/Students/studentresources.cfm>. If needed, computers are available at the college library and computer labs at NWF campus and center locations. A list of locations and times is available at <http://www.nwfsc.edu/Academics/AcademicSupport/OpenCompLabs.cfm>.

We sincerely hope your experience at NWF State College meets your expectations. We encourage you to share suggestions that might assist us in our efforts to provide you with the best education possible.

On behalf of our administrators, faculty and staff, "Welcome to NWFSC Online Campus! We wish you a successful and enjoyable semester."

Sincerely,

The Learning Technologies (LTech) Team  
Online Campus - Northwest Florida State College (NWFSC)
